CATALOGUE

OF ALL THE

BOOKS,

PRINTED IN THE

UNITED STATES,

WITH THE PRICES, AND PLACES WHERE PUBLISHED, ANNEXED.

Published by the Booksellers in Boston.

☞ THIS Catalogue is intended to include all Books of general sale printed in the United States, whether original, or reprinted; that the public may see the rapid progress of book printing in a country, where, twenty years since, scarcely a book was published. Local and occasional tracts are generally omitted. Some few of the books in the Catalogue are now out of print; and others are scarce. It is contemplated to publish a new edition of this Catalogue, every two years, and to make the necessary additions and corrections; and it is hoped the time is not far distant, when useful Libraries may be formed of American editions of Books, well printed, and handsomely bound.
